|-------------------------------|---------------------------------------------------------------------------------------------|
| Warranty                      | 1 year                                                                                      |
| Life expectancy               | Ink: Up to 36 months, Hardware: 12 months                                                   |
| Care instructions             | Warning sticker on the banner base to be followed at all times                              |
|                               | Install on Flat surface                                                                     |
|                               | When pulling up the print, be careful not to let print come into contact with sides of base |
|                               | Pole clip must be secured fittingly onto the top bar                                        |
|                               | Do not release the top bar as high speed retraction may cause damage to hardware and print  |
